

Plan Theme YouSan Technology Anti-Counterfeiting Sticker Standard Sample Template - Digital Label - Edition 1

1. Code Number: P1-T01 (Digital Version 1 - Landscape Version 01)

1:1 size effect

Double the effect

Basic Information:

Size:22x13mm
Shape:horizontal rounded square
Style: Simple left-right type
Type:Class C Comprehensive Anti-Counterfeiting
Printing material: colored fiber self-adhesive
Printing Equipment: INDIGO
Print color reference: 1 spot color CMYY

Key Points for Anti-Counterfeiting:

Variable Frequency Coin Pattern Anti-Counterfeit .
Anti-scanning coarse and fine lines .
Variable micro dark mark .
Code-in-code anti-counterfeiting verification .
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern

2. Code Number: P1-T02 (Digital Version 1 - Landscape Version 02)

1:1 size effect

Double the effect

Basic Information:

Size:22x13mm
Shape:horizontal rounded square
Style: Creative crossbody
Type:Class C Comprehensive Anti-Counterfeiting
Printing material: colored fiber self-adhesive
Printing Equipment: INDIGO
Print color reference: 1 spot color CMYY

Key Points for Anti-Counterfeiting:

Dot Matrix Netting .
Microtext .
Filtering and Anti-counterfeiting .
Anti-scanning coarse and fine lines .
Code-in-code anti-counterfeiting verification .
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern

3. Code Number: P1-T03 (Digital Version 1 - Horizontal Version 03)

1:1 size effect

Double the effect

Basic Information:

Size: 28x18mm
Shape:horizontal rounded square
Style: Colorful Corner Type
Type:Class C Comprehensive Anti-Counterfeiting
Printing material: colored fiber self-adhesive
Printing Equipment: INDIGO
Print color reference: 1 spot color CMYY

Key Points for Anti-Counterfeiting:

Dot Matrix Netting .
Microtext .
High Defense Shadow
Rainbow Printing
Integration technology
Anti-scanning fine lines
Variable micro shading mark
Holographic Laser Hot Stamping
Code-in-code anti-counterfeiting verification .
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern

Plan Theme YouSan Technology Anti-Counterfeiting Sticker Standard Sample Template - Digital Label - Edition 1

4. Code Number: P1-T04 (Digital Version 1 - Landscape Version 04)

1:1 size effect

Double the effect

Basic Information:

Size: 30x20mm
Shape:horizontal rounded square
Style: Colorful Corner Type
Type:Class C Comprehensive Anti-Counterfeiting
Printing material: colored fiber self-adhesive
Printing Equipment: INDIGO
Print color reference: 1 spot color CMYY

Key Points for Anti-Counterfeiting:

- Engraved pattern
Variable frequency Moiré pattern
Microtext
High Defense Shadow
Rainbow Printing
Anti-scanning coarse and fine lines
Variable micro dark mark
Holographic Laser Hot Stamping
Code-in-code anti-counterfeiting verification
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern
Relief-style text version with size variations.

5. Code Number: P1-T05 (Digital Version 1 - Landscape Version 05)

1:1 size effect

Double the effect

Basic Information:

Size: 70x20mm
Shape:horizontal rounded square
Style: High-end symmetrical
Type:Class C Comprehensive Anti-Counterfeiting
Printing material: colored fiber self-adhesive
Printing Equipment: INDIGO
Print color reference: 1 spot color CMYY

Key Points for Anti-Counterfeiting:

- Engraved pattern
Unlock technology
Variable frequency Moiré pattern
Microtext
Rainbow Printing
Hand-drawn line art materials
Anti-scanning coarse and fine lines
Variable micro dark mark
Holographic Laser Hot Stamping
Filter-based text hiding
Code-in-code anti-counterfeiting verification
Unique code (corresponding to code within code)
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern

Plan Theme YouSan Technology Anti-Counterfeiting Sticker Standard Sample Template - Digital Label - Edition 1

6. Code Number: P1-V01 (Digital Version 1 - Vertical Version 06)

1:1 size effect

Double the effect

Basic Information:

Size: 13x22mm
Shape: Vertical rounded square .
Style: Simple up-and-down type .
Type:Class C Comprehensive Anti-Counterfeiting .
Printing material: colored fiber self -adhesive .
Printing Equipment: INDIGO .
Print color reference: 1 spot color CMYY

Key Points for Anti-Counterfeiting:

Variable Frequency Holographic Anti-Counterfeit .
Anti-scanning coarse and Variable micro dot .
Code-in-code anti-counterfeiting verification .
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern .

7. Code Number: D1-V02 (Digital Version 1 - Vertical Version 07 Model)

1:1 size effect

Double the effect

Basic Information:

Size: 15x28mm
Shape: Vertical rounded square .
Style: Creative crossbody
Type:Class C Comprehensive Anti-Counterfeiting .
Printing material: colored fiber self -adhesive .
Printing Equipment: INDIGO .
Print color reference: 1 spot color CMYY .

Key Points for Anti-Counterfeiting:

Microtext .
Filtering and Anti-counterfeiting .
Anti-scanning coarse and Variable micro dot .
Code-in-code anti-counterfeiting verification .
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern

Plan Theme YouSan Technology Anti-Counterfeiting Sticker Standard Sample Template - Digital Label - Edition 1

8. Code Number: P1-V03 (Digital Version 1 - Vertical Version 08)

1:1 size effect

Double the effect

Basic Information:

Size: 18x28mm
Shape: Vertical rounded square .
Style: Central Axis Symmetry .
Type:Class C Comprehensive Anti-Counterfeiting .
Printing material: colored fiber self -adhesive .
Printing Equipment: INDIGO .
Print color reference: 1 spot color CMYY

Key Points for Anti-Counterfeiting:

Microtext .
High Defense Shadow
Rainbow Printing
Integration technology
Anti-scanning coarse and fine lines .
Variable micro shading mark .
Holographic Laser Hot Stamping .
Code-in-code anti-counterfeiting verification .
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern

9. Code Number: P1-V04 (Digital Version 1st Edition - Vertical Version 09 Model)

1:1 size effect

Double the effect

Basic Information:

Size: 20x30mm
Shape: Vertical rounded square .
Style: Complex exhibition type
Type:Class C Comprehensive Anti-Counterfeiting
Printing material: colored fiber self -adhesive
Printing Equipment: INDIGO
Print color reference: 1 spot color CMYY

Key Points for Anti-Counterfeiting:

Engraved pattern .
Variable frequency Moiré pattern .
Microtext .
High Defense Shadow .
Rainbow Printing .
Filtering and Anti-counterfeiting .
Anti-scanning coarse and fine lines .
Variable micro dark mark .
Holographic Laser Hot Stamping.
Code-in-code anti-counterfeiting verification .
ASY Special Banknote-Level Anti-Counterfeiting Background Pattern .
Relief-style text version with size variations.
